The Courtyard at Queen Anne Square HOA  
Amendment Revised and Approved by the Board: December 22, 2021

The intent of the Rules and Regulations of The Courtyard at Queen Anne Square Owners Association is to promote common sense and courtesy in the members' actions and attitudes. The House Rules and Regulations are supplemental to the declaration. Violations of any of the governing documents are subject to the Fee and Fine Schedule and the Collection Policy. They are not meant to limit conduct, but rather to protect the common interest of the property, to provide an avenue of relief for problems, and to serve as guidelines for effective operation of the building. It is important to remember that in a condominium community such as ours, each member must protect and regard the rights of all other owners and residents to a quiet and peaceful home.

**Scope of the Rules & Regulations**

These Rules and Regulations apply to all residents (unit owners and tenants), their guests, vendors, agents, and all others brought onto the property for any purpose. The Declaration and the amended Bylaws provide for the levying of fines by the Board of Directors in the event of violations of these Rules and Regulations. These House Rules are effective immediately, revoke and replace any and all previous House Rules. No Owner is grandfathered and must adhere to the current rules.

All new owners and new tenants must complete a Registration Form within 14 days of taking occupancy at The Courtyard. The form may be obtained from the management company.

Collection of any fine will be performed as a collection of any Assessment, pursuant to the Declaration.
4. The Board is authorized and empowered to investigate, hear and determine complaints concerning violations by any Unit occupant of the Declaration, Bylaws, Rules and Regulations or enforcement procedures ("Governing Documents") or of any decision of the Board made as provided in the Governing Documents. The Board is further authorized and empowered to impose a fine as may be allowed herein in an amount not to exceed the maximum rate established by resolution of the Board on any person who it finds to have violated the Governing Documents.

5. A failure of any Owner to be in good standing (defined as a failure to comply with any provision of the Governing Documents, including but not limited to any failure to pay assessments in full in a timely manner, failure to comply with a Board decision, or to comply with a decision of the Hearing Board following notice of a violation and an opportunity for a hearing) shall be sufficient grounds for the revocation of (1) the Owner's voting rights, and the right of the Owner to hold any proxies, (2) the Owner's rights to attend any meetings (board or owner), and/or (3) the Owner's and/or Tenant's right to use any facilities of the Association (including but not limited to community rooms and the like); until the Owner comes into full compliance with the Governing Documents, including but not limited to payment in full of all assessments, late fees, attorney's fees, interest and other costs, Board decision, or to comply with a decision of the Hearing Board, as determined by the Board in its sole and exclusive discretion.

**A VIOLATION MAY ALSO BE GROUNDS FOR EVICTION AND/OR THE FILING FOR INJUNCTIVE RELIEF OR DAMAGES.**

**COMPLAINT PROCESS**

The complaint process shall be undertaken substantially as follows:

Complaints are to be submitted to the Property Management Company, which in turn will forward the complaints to the Board for resolution.

- a) Make personal contact with the party to make them aware that you are being disturbed and ask them to discontinue the offensive behavior.
- b) If you do not feel comfortable making personal contact, report the offensive behavior to the Property Manager and follow up by submitting a formal complaint in writing.
- c) The Board and/or Property Manager will contact the complainant, and if the complaint is substantiated, the Property Manager will send a letter to the offending party indicating that they have violated the Declaration, Bylaws, or Rules ("Governing Documents") and/or Board or Hearing Board Decision. The letter shall identify the specific provisions of the Governing Documents or decision of the Board which the respondent is alleged to have violated. The letter shall state as many of the specifics as are available regarding time, date, location, nature of violation, persons involved, etc. The letter shall also state the efforts which were made to resolve the matter informally, if any, and that fines will be imposed if said behavior is not stopped. No warnings need be given. The distribution of these Rules and Regulations is sufficient warning/notice of the rules and fines. Finally, the letter shall give the offending party the opportunity to be heard.

**RIGHT TO APPEAL**

Within ten (10) days of delivery of the letter to the offending party per the notice provisions of the Declaration, the person accused of the violations ("respondent") may deliver a request for an appeal to the Board, as the respondent's desire to be heard. In such case, imposition of the fine will be held in abeyance pending determination of the appeal by way of a hearing before the Board or a Hearing

Board. The request for appeal will not be deemed to have been delivered until actual receipt by the Association's Secretary or the Association's managing agent. A failure of the respondent to respond to the letter within ten (10) days, or Respondent's payment of the fine, constitutes an admission that notice and opportunity to be heard were granted by the Association, and constitutes a waiver of the respondent's right to avail itself of the opportunity to be heard, and respondent will be deemed to have admitted to the facts contained in the letter.

## **DEFAULT**

Failure of one party to appear at the scheduled hearing, where that party prior to the hearing has failed to show good cause when the hearing should be re-scheduled, does not preclude the Board from proceeding with the hearing, receiving evidence from and hearing arguments by the other party and making a decision in the matter. Upon failure of the respondent to appear, the Board may, in its discretion, impose the fine or fines. A failure of the respondent to appear constitutes an admission that notice and opportunity to be heard were granted by the Association, and constitutes a waiver of the respondent's right to avail itself of the opportunity to be heard, and respondent will be deemed to have admitted to the facts contained in the letter.

## **HEARING PROCEDURE**

The hearing shall be heard by a Hearing Board appointed by the Board. The Board itself may also comprise the Hearing Board. The Association's attorney may or may not be present at the Hearing Board's sole and exclusive discretion. The respondent shall appear in person or by a duly authorized representative. The President, or in his or her absence, a Board member appointed by the Board, shall preside over the conduct of the hearing and shall make any necessary evidentiary rulings. The hearing shall be informal. At the beginning of the hearing the President shall explain the rules and procedures by which the hearing is to be conducted.

The order of proceedings shall be as follows:

- a) Each party to the proceeding is entitled to make an opening statement.
- b) Each party is entitled to produce evidence, witnesses and testimony. The other parties are entitled to cross-examine any witnesses and the opposing party.
- c) Each party is entitled to make a closing statement.
- d) Any member of the Board may question any party or witness. The Board members may, on their own motion, call additional witnesses or secure tangible evidence.
- e) Each party has the right to representation by counsel at his or her own expense. Respondent must advise the Association at least five days in advance of intent to bring their own counsel. Failure to do so shall allow the Board to continue the hearing until the Association's counsel can be present.
- f) Either party or the Board may cause the hearing to be transcribed at his/ her or their own expense.

**Decision and Order:**

- a) As soon as possible, but in no case more than twenty (20) days after the close of the hearing, the Board shall meet in executive session to deliberate and reach a decision. The decision of the Board shall be in writing and, if a violation is found, shall state the particular violation(s) found.
- b) Upon a decision that a violation has occurred, the Board may order that the respondent shall do or refrain from doing any act necessary to cause the respondent to comply with the provisions of the Governing Documents and/or any decision of the Board. The order of the Board shall become effective ten (10) days after it is served on the respondent in the manner provided in the Declaration, unless the Board otherwise provided in its order.
- c) The Board may provide in its order for the imposition of a reasonable fine not to exceed the maximum amounts set from time to time by resolution of the Board. The fine may include a daily fine in the event that the respondent does not comply with the order of the Board, including the payment of the fine, within the allotted time. The Board may also provide in its order that the non-prevailing party shall reimburse the costs of the Association in connection with the proceeding. Any fine or charge so imposed by the Board shall be the personal obligation of the person against whom it is imposed, shall constitute a lien upon the Unit owned or occupied by that person, and may be collected in the manner provided in the Declaration in the same manner as for assessments.
- d) The decision of the Board shall be served on each party to the matter forthwith in the manner provided above. A copy of the decision and order shall be sent to the Secretary of the Association and shall be included in the books of the Association.

Failure to comply with a provision of the Governing Documents or a Board Decision, or to comply with a decision of the Board following notice of a violation and an opportunity for a hearing, shall be sufficient grounds for an action to recover sums due for damages, which shall include any fines levied by the Board and any costs incurred by the Association in connection with the proceeding before the Board, maintainable by the Association (acting through the Board on behalf of the owners). Such failure shall further be grounds for the issuance of injunctive relief in such an action. Nothing contained in the Declaration shall be deemed or construed as a waiver of the Association's right to bring an action as provided in this Section without first exhausting the Association's internal enforcement procedures in cases where the Board deems immediate legal action to be necessary or appropriate. In any action brought as provided in this Section, the prevailing party shall be entitled to recover as part of its judgment a reasonable sum for its attorney fees, costs and expenses of proceeding. All Assessments are collected pursuant to the Declarations.

Notwithstanding the foregoing, by entering into occupancy of a Unit, each Unit occupant agrees to be bound by the Governing Documents, all other applicable federal, state or local laws and/or regulations, and shall give the Association the same rights against the Unit occupant, as it has against the Owner of the Unit. The term "Tenant" or "Occupant" as used in these Rules shall include both Tenant and Occupant, unless the context clearly indicates otherwise.
